TeamCindy

5K RUN FOR RESEARCH

5TH ANNUAL

We know you work hard, both as teams and individually, to raise much-needed funds for the Brain Aneurysm Foundation through the TeamCindy 5K Run for Research. We couldn't do it without you, so we want to recognize your amazing efforts!

This year for the first time, we will recognize the top fundraising **TEAMS** by putting their team name on our race day T-shirt. What a meaningful keepsake this will be for these top teams!

- If your team raises $500, your team name will be emblazoned on the TeamCindy 5K T-shirt as an honorary Bronze Sponsor.

- If your team raises $1,000, your team name will be emblazoned on the TeamCindy 5K T-shirt as an honorary Silver Sponsor.

- If your team raises $2,000, your team name will be emblazoned on the TeamCindy 5K T-shirt as an honorary Gold Sponsor.

Note: *So that we have time to print the T-shirts, the deadline to qualify for this special team recognition is the total amount collected by your team three weeks prior to the race on August 25th, 2018.*

There will be individual fundraisers who go the extra mile either as part of a team or all on their own. We also want to reward their efforts.

This year for the first time, we will reward the top fundraising **INDIVIDUALS** with valuable prizes. Whoever individually raises the most money will get to choose first from an assortment of prizes to be given out at the lunch following the race. Then, the second-place fundraiser will choose and so on until all the prizes are gone. Our committee is working hard to secure wonderful prizes, which so far include:

- Two tickets to Frozen: The Broadway Musical
- Gift basket of luxurious Trish McEvoy beauty products
- Gift basket of yummy treats from Marcia Selden Catering
- Dinner for two in New York City
- Gift Certificate for $100 to Aetheria Jewelers
- Michael Kors large tote bag and wallet

Note: *Individual total fundraising amounts will be tallied the day prior to the race on Friday, September 14th, 2018.*

We look forward to seeing you at the race and hope you have a wonderful summer.
