Hi everyone, As many of you know, I am raising awareness and funds for The Brain Aneurysm Foundation and I have set up a BrainPower Page. I'd like to be able to count on you to make a donation to the organization so that I can help them fulfill their mission. Giving is easy! You can read more about what we do here as well as make a secure donation online.

The Brain Aneurysm Foundation is the world's only nonprofit organization solely dedicated to providing critical awareness, education, support and research funding to reduce the incidence of brain aneurysm ruptures.

All proceeds go towards:

- Funding and supporting new research.
- Providing support and educational materials to the medical community, the newly diagnosed, survivors, family members, friends and the general public regarding the facts, treatment options, and recovery process for brain aneurysms.
- Increasing awareness of brain aneurysms by promoting National Brain Aneurysm Awareness Month in September and by distributing aneurysm awareness materials to Emergency Departments in every hospital and to the community.
